

WMR Spot, Forward and NDF Rates

Service Alterations

This publication schedule has been produced, in line with the WMR policy on National Holidays. We reserve the right to alter this schedule, should there be any changes to the holiday arrangements for these countries (UK, USA, Germany and Japan) and/or any service changes introduced by WMR.

From the second Sunday in March until the last Sunday in March every year, and from the last Sunday in October until the first Sunday in November every year, NO 10pm UK Time (6pm EST) Forward and NDF rates will be published on any day within this period, including Fridays.

On ALL other days the WMR Spot, Forward and NDF rates will be produced as normal, with the exception of USA Clock Change periods as explained below:

ABOUT FTSE RUSSELL

FTSE Russell is a leading global provider of index and benchmark solutions, spanning diverse asset classes and investment objectives. As a trusted investment partner we help investors make better-informed investment decisions, manage risk, and seize opportunities.

Market participants look to us for our expertise in developing and managing global index solutions across asset classes. Asset owners, asset managers, ETF providers and investment banks choose FTSE Russell solutions to benchmark their investment performance and create investment funds, ETFs, structured products, and index-based derivatives. Our clients use our solutions for asset allocation, investment strategy analysis and risk management, and value us for our robust governance process and operational integrity.

For over 35 years we have been at the forefront of driving change for the investor, always innovating to shape the next generation of benchmarks and investment solutions that open up new opportunities for the global investment community.
