As announced on 27 March 2014 and effective 1 April 2014, the Company has changed its accounting reference date from 31 March to 31 December. Accordingly, the Company’s next following annual report and accounts will be for the nine months ended 31 December 2014 and published in April 2015.

Ordinary Resolutions

Resolution 1

The Directors must present the report of the Directors and the accounts of the Company for the year ended 31 March 2014 to shareholders at the AGM. The report of the Directors, the accounts, and the report of the Company’s auditors on the accounts and on those parts of the Directors’ remuneration report that are capable of being audited are contained within the Report and Accounts. Shareholders are being asked to receive the Report and Accounts.

Resolution 2

A final dividend can only be paid after the shareholders at a general meeting have approved it. Shareholders are being asked to approve a final dividend of 20.7 pence per ordinary share in respect of the year ended 31 March 2014. If you approve the recommended final dividend, it will be paid on 19 August 2014 to all shareholders on the register of shareholders at the close of business on the record date, which will be 25 July 2014.

Resolution 3

This Resolution seeks to approve the Annual Report on Remuneration, which may be found on pages 86 to 97 of the Report and Accounts and which gives details of your Directors' remuneration for the year ended 31 March 2014 and the annual statement of the Chairman of the Remuneration Committee (the "**Statement**"), which may be found on pages 70 to 71, in each case in accordance with s439 of the Companies Act 2006.

Resolution 4

This Resolution seeks to approve the Directors' Remuneration Policy which may be found on pages 72 to 85 of the Report and Accounts and sets out the Company's forward-looking policy on Executive and Non-Executive Directors' remuneration, in accordance with section 439A of the Companies Act 2006. The vote on the Directors' Remuneration Policy is a binding vote. If Resolution 4 is passed, it will take effect from the date of the AGM. If the Directors' Remuneration Policy is approved, the Company will not, from the effective date, be able to make a remuneration payment to a current or prospective director or a payment for loss of office to a current or past director, unless that payment is consistent with the policy or has been approved by a resolution of the shareholders. If approved by the shareholders, the Directors' Remuneration Policy will be subject to a binding shareholder vote by ordinary resolution at least every three years, except in the event that a change to the Directors' Remuneration Policy is proposed or the advisory vote on the Statement and the Annual Report on Remuneration is not passed in any year subsequent to the approval of the Directors' Remuneration Policy in which case the Directors' Remuneration Policy will be subject to a binding shareholder vote by ordinary resolution at the following AGM.

Resolutions 5 to 16

In line with the UK Corporate Governance Code, all of the Directors of the Company will retire and the following will be proposed for re-election at the AGM: Jacques Aigrain, Chris Gibson-Smith, Paul Heiden, Raffaele Jerusalmi, Stuart Lewis, Andrea Munari, Stephen O'Connor, Xavier Rolet, Paolo Scaroni, Massimo Tononi, David Warren and Robert Webb. Resolutions 5 to 16 seek your approval to re-elect these individuals as Directors of the Company.

Following formal performance evaluation, the Board considers that each of these Directors continues to be effective and to demonstrate commitment to the role, including commitment of time for Board and committee meetings and any other duties. The Board is content that each of the Non-Executive Directors offering themselves for re-election is independent in character and there are no relationships or circumstances which are likely to affect their character or judgement.

Resolutions 17 and 18

Sherry Coutu CBE and Joanna Shields OBE have been appointed as Directors since last year's annual general meeting and Resolutions 17 and 18 propose their re-appointment as required by the Company's Articles of Association.

Biographies of the Directors seeking election or re-election are set out in Appendix 1 to this document. All of the Directors offering themselves for election or re-election have wide business knowledge and bring valuable skills and experience to the Board.

Resolution 19

The auditors of a company must be re-appointed at each general meeting at which accounts are laid. On 18 December 2013, the Company announced its decision to conduct a tender process for the position of external auditor of the Company in light of the increasing diversification, scale and reach of the Company and also in line with good corporate governance. A number of firms were approached to tender for the

audit. On the recommendation of the Audit Committee, the Board appointed Ernst & Young LLP as auditor of the Company to fill a casual vacancy following a competitive tender process and the subsequent resignation of PricewaterhouseCoopers LLP with effect from 12 June 2014. In accordance with s519 of the Companies Act 2006, PricewaterhouseCoopers LLP have made the following statement in connection with their resignation as auditor of the Company:

“12 June 2014

Dear Sirs

Statement of Circumstances connected with ceasing to hold office as Auditors

In accordance with Section 519 of the Companies Act 2006, we set out below the circumstances connected with our ceasing to hold office as auditors of London Stock Exchange Group plc, registered no: 5369106 (the Company) effective from 12 June 2014.

We state that the reason we resigned was that the Company undertook a tender process for the position of statutory auditor and Ernst & Young LLP’s proposal was accepted.

Yours faithfully

PricewaterhouseCoopers LLP”

This Resolution seeks your approval to re-appoint Ernst & Young LLP as auditors of the Company, to hold office until the conclusion of the next annual general meeting of the Company at which accounts are laid.

Resolution 20

Shareholders are being asked to authorise the Directors to determine Ernst & Young LLP’s remuneration as auditors.

Resolution 21

The Directors may only allot shares or grant rights to subscribe for, or convert any security into, shares if authorised to do so by shareholders. The authority conferred on the Directors at last year’s annual general meeting under section 551 of the Companies Act 2006 to allot shares or grant rights to subscribe for, or convert any security into, shares in the share capital of the Company expires on the date of the AGM. Paragraph (A) of this Resolution will, if passed, authorise the Directors to allot the Company’s shares or grant rights to subscribe for, or convert any security into, shares in the Company up to a maximum nominal amount of £6,280,000. This amount represents 33.3 per cent. of the Company’s existing issued ordinary share capital (excluding treasury shares) as at 9 June 2014, being the latest practicable date prior to publication of the Notice of AGM. Paragraph (B) of this Resolution authorises the Directors to allot, including the shares referred to in paragraph (A) of this Resolution, further of the Company’s unissued shares up to an aggregate nominal amount of £12,560,000 (representing 66.6 per cent. of the Company’s existing issued ordinary share capital (excluding treasury shares) as at 9 June 2014, being the latest practicable date before publication of the Notice of AGM) in connection with a pre-emptive offer to existing shareholders by way of a rights issue (with exclusions to deal with fractional entitlements to shares and overseas shareholders to whom the rights issue cannot be made due to legal and practical problems). This is in accordance with the most recent institutional guidelines published by the Association of British Insurers.

This authority will expire (unless previously unconditionally renewed, varied or revoked) on the conclusion of the annual general meeting of the Company next year. As announced on 13 May 2014 and 20 May 2014 in response to press speculation linking the Company with a potential acquisition of Frank Russell Corporation, the Company is in exclusive discussions with Northwestern Mutual Life Insurance Company, the parent company of Frank Russell Corporation, with respect to a possible transaction. As noted in those announcements, there can be no certainty that a transaction will be forthcoming. The Company would, if implemented, intend to part fund an acquisition through an equity raise pursuant to which this authority (or a renewed authority) would, in part, be used. Such transaction will, if appropriate, be subject to shareholder approval in accordance with the requirements of the Listing Rules. It is noted that all Directors will, consistent with the Company’s current practice, be submitted for re-election at the 2015 annual general meeting irrespective of whether the above authority is used.

The Company currently holds no shares in treasury.

Resolution 22

This Resolution seeks to grant the authority for the Company and its subsidiaries to make political donations to political parties, to other political organisations and to independent election candidates and to incur political expenditure.

It is not the policy of the Company to make political donations of this type and the Directors have no intention of changing that policy or of using the authority for this purpose. However, as a result of the wide definitions in the Companies Act 2006 of matters constituting political donations, normal expenditure (such as expenditure on organisations concerned with matters of public policy, law reform and representation of the business community) and business activities (such as communicating with the government and political parties at local, national and European level on matters vital to the Company's business interests) might be construed as political expenditure or as a donation to a political party, other political organisation or an independent election candidate and fall within the restrictions of the Companies Act 2006.

This Resolution does not purport to authorise any particular donation or expenditure but is expressed in general terms as required by the Companies Act 2006 and is intended to avoid inadvertent infringement of the statute by the Company. The Directors do not intend to use this authority to make political donations within the normal meaning of that expression. If passed, this Resolution would allow the Company and its subsidiaries to make donations to political parties, other political organisations and independent election candidates and to incur political expenditure (as defined in the Companies Act 2006) in accordance with the terms of this Resolution (which include an aggregate limit on such donations and expenditure made or incurred by the Company and its subsidiaries of £100,000 (or the equivalent amount in any other currency)). This Resolution has effect for the period commencing on the date of this Resolution and ending on the conclusion of the Company's next annual general meeting. Any political donation made or political expenditure incurred which is in excess of £2,000 will be disclosed in the Company's annual report and accounts for the year ended 31 December 2014, as required by the Companies Act 2006.

Resolution 23

Shareholders are asked to approve a new Long Term Incentive Plan 2014 (the **Plan**) to replace the existing plan which was approved by shareholders at an annual general meeting in July 2004 for a period of 10 years. The Plan is intended to link executive reward to the achievement of long term performance targets and is aligned to shareholder interests and to ensure that the total reward potential for executive directors and senior executives in the group globally, is competitive. A summary of the principal provisions of the Plan is set out in Appendix 2 to this Notice of AGM.

Special Resolutions

Resolution 24

This Resolution seeks to renew the authority conferred on the Directors at last year's annual general meeting to allot ordinary shares, or grant rights to subscribe for, or convert securities into, ordinary shares, or sell treasury shares for cash (other than pursuant to an employee share scheme) without application of the pre-emption rights pursuant to section 561 of the Companies Act 2006. Other than in connection with a rights issue or any other pre-emptive offer concerning equity securities, the authority contained in this Resolution will be limited to the issue of shares for cash up to an aggregate nominal value of £940,000 (which includes the sale on a non pre-emptive basis of any shares held in treasury), which represents 5 per cent. of the issued ordinary share capital of the Company as at 9 June 2014, being the latest practicable date prior to the publication of the Notice of AGM.

In accordance with the Pre-emption Group's Statement of Principles, the Directors confirm their intention that no more than 7.5 per cent. of the issued share capital (excluding treasury shares) will be issued for cash on a non pre-emptive basis during any rolling three year period. A sale of treasury shares will be treated as an issue of shares for the purposes of this Resolution. As noted on page 3, the Company is in discussions with respect to a possible transaction and the Company would, if implemented, intend to part fund that acquisition through an equity raise pursuant to which this authority (or a renewed authority) would, in part, be used. The Directors intend to renew this authority annually.

This authority will expire (unless previously unconditionally renewed, varied or revoked) on the conclusion of the annual general meeting of the Company next year or, if earlier, 15 months from the date of this Resolution.

The Company currently holds no shares in treasury.

Resolution 25

This Resolution replaces the authority given at last year's annual general meeting for the Company to make market purchases of its own ordinary shares as permitted by the Companies Act 2006. The terms of the authority are set out in this Resolution. Approval of this Resolution would enable the Company to purchase up to a maximum of 27,000,000 ordinary shares of 6⁷⁹/₆₆ pence each in the capital of the Company (representing less than 10 per cent. of the issued ordinary share capital of the Company as at 9 June 2014, being the latest practicable date prior to publication of the Notice of AGM). The price per ordinary share that the Company may pay is set at a minimum amount of the nominal value of each ordinary share and a maximum amount of the higher of: (i) 5 per cent. over the average of the previous five business days' middle market prices and (ii) the higher of the price of the last independent trade of an ordinary share and the highest current independent bid for an ordinary share as derived from the London Stock Exchange Trading System (SETS).

The Directors have no present intention of making such purchases but consider it prudent to retain the ability to do so. The Directors will only exercise the authority if the Directors believe that such exercise would in their opinion result in an increase in earnings per share and would be likely to promote the success of the Company for the benefit of its shareholders as a whole.

Any ordinary shares purchased pursuant to the authority conferred by this Resolution may be cancelled or held by the Company as treasury shares, within the limits allowed by law. Such treasury shares may subsequently be cancelled, sold for cash or used to satisfy options issued to employees pursuant to the Company's employee share schemes or otherwise disposed of by the Directors in accordance with the requirements of the relevant legislation and the authority relating to rights of pre-emption granted by the shareholders in general meeting.

This authority will expire (unless previously unconditionally renewed, varied or revoked) on the conclusion of the annual general meeting of the Company next year or, if earlier, 18 months from the date of this Resolution.

During financial year 2014, the Company made no market purchases of its own ordinary shares.

The total number of ordinary shares which may be issued on the exercise of outstanding options as at 9 June 2014, being the latest practicable date prior to publication of the Notice of AGM, is 6,624,720 which represents 2.43 per cent. of the issued ordinary share capital of the Company (excluding treasury shares) as at that date. If the Company were to purchase shares up to the maximum permitted by this Resolution the proportion of ordinary shares subject to outstanding options would represent 2.70 per cent. of the issued ordinary share capital (excluding treasury shares) as at 9 June 2014, being the latest practicable date prior to publication of the Notice of AGM. There are no warrants outstanding.

Resolution 26

This Resolution renews the authority given at last year's annual general meeting for the Company to call general meetings (other than annual general meetings) on 14 clear days' notice. This Resolution is required pursuant to the Companies (Shareholders' Rights) Regulations 2009 which increase the notice period for general meetings of the Company to 21 days, unless shareholders approve the calling of meetings (other than an annual general meeting) on 14 days' notice by an annual special resolution. It is intended that the shorter notice period would not be used as a matter of routine for such meetings, but only where the flexibility is merited by the business of the meeting and is thought to be in the interests of shareholders as a whole. The Company is also required to meet any applicable requirements for electronic voting under the Companies (Shareholders' Rights) Regulations 2009 before it can call a general meeting on 14 days' notice. The approval granted by this Resolution will be effective until the Company's next annual general meeting, when it is intended that a similar resolution will be proposed.

Notes to the Notice of AGM

1. The right to attend and vote at the meeting is determined by reference to the Company's register of shareholders. Only a shareholder entered in the register of shareholders at 6.00 p.m. on 14 July 2014 is entitled to attend and vote at the meeting and a shareholder may vote in respect of the number of ordinary shares registered in that shareholder's name at that time. Changes to the entries in the register of shareholders after that time shall be disregarded in determining the rights of any person to attend and vote at the meeting.

2. Shareholders are entitled to appoint a proxy to exercise all or any of their rights to attend and to speak and vote on their behalf at the AGM. A shareholder may appoint more than one proxy in relation to the AGM provided that each proxy is appointed to exercise the rights attached to a different share or shares held by that shareholder. A proxy need not be a shareholder of the Company. A pink Form of Proxy which may be used to make such appointment and give proxy instructions for use at the AGM is enclosed.

3. To be valid, a Form of Proxy, duly completed, signed or sealed (as appropriate) and dated must be returned to the Company's Registrars, Equiniti, at Aspect House, Spencer Road, Lancing, West Sussex BN99 6DA so as to arrive no later than 12.00 noon on 14 July 2014.

4. The Form of Proxy must be executed by the shareholder or his or her attorney duly authorised in writing and (in the case of an individual) must be signed by the individual or his or her attorney duly authorised in writing or (in the case of a corporation) be executed either under seal, on its behalf by a duly authorised officer or attorney of the corporation or in any other manner authorised by its constitution.

5. In the case of joint registered holders, the signature of one holder will be accepted and the vote of the senior holder who tenders a vote, whether in person or by proxy, will be accepted to the exclusion of the votes of the other joint holders. For this purpose, seniority will be determined by the order in which the names stand on the register of shareholders of the Company in respect of the relevant joint holding.

6. Alternatively a shareholder may appoint a proxy or proxies electronically either via the website run by Equiniti at www.sharevote.co.uk using the Voting ID, Task ID and Shareholder Reference Number provided on the pink Form of Proxy or, if such shareholder is a CREST member, by using the procedure described in paragraph 7 below.

7. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the AGM and any adjournment(s) thereof by using the procedures described in the CREST Manual, which can be viewed at www.euroclear.com. CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a "**CREST Proxy Instruction**") must be properly authenticated in accordance with Euroclear's specifications and must contain the information required for such instructions, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID RA19) by no later than 12.00 noon on 14 July 2014. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

CREST personal members and, where applicable, their CREST sponsors or voting service providers should note that Euroclear does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting

service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

8. Any corporation which is a shareholder may appoint one or more corporate representatives who may exercise on its behalf all of its powers, provided that they do not exercise their powers differently in relation to the same shares.

9. Any person to whom the Notice of AGM is sent who is a person nominated under section 146 of the Companies Act 2006 to enjoy information rights (a “**Nominated Person**”) may have a right, under an agreement between him or her and the shareholder by whom he or she was nominated, to be appointed (or to have someone else appointed) as a proxy for the AGM. If a Nominated Person has no such proxy appointment right or does not wish to exercise it, he or she may, under any such agreement, have a right to give instructions to the shareholder as to the exercise of voting rights.

10. The statements of the rights of shareholders in relation to the appointment of proxies in paragraphs 2 to 7 above do not apply to Nominated Persons. The rights described in those paragraphs can only be exercised by shareholders of the Company.

11. As at 9 June 2014, being the latest practicable date prior to the publication of the Notice of AGM, the Company’s issued share capital consists of 272,408,651 ordinary shares of 6⁷⁹/₈₆ pence each, carrying one vote each. 12. Under section 527 of the Companies Act 2006, shareholders meeting the threshold requirements set out in that section have the right to require the Company to publish on a website a statement setting out any matter relating to: (i) the audit of the Company’s accounts (including the auditor’s report and the conduct of the audit) that are to be laid before the AGM; or (ii) any circumstance connected with an auditor of the Company ceasing to hold office since the last annual general meeting. The Company may not require the shareholders requesting any such website publication to pay its expenses in complying with sections 527 or 528 of the Companies Act 2006. Where the Company is required to place a statement on a website under section 527 of the Companies Act 2006, it must forward the statement to the Company’s auditor not later than the time when it makes the statement available on the website. The business which may be dealt with at the AGM includes any statement that the Company has been required under section 527 of the Companies Act 2006 to publish on a website.

13. Any shareholder attending the AGM has the right to ask questions. The Company must cause to be answered any such question relating to the business being dealt with at the AGM but no such answer need be given if: (a) to do so would interfere unduly with the preparation for the AGM or involve the disclosure of confidential information; (b) the answer has already been given on a website in the form of an answer to a question; or (c) it is undesirable in the interests of the Company or the good order of the AGM that the question be answered.

14. In accordance with section 311A of the Companies Act 2006, the contents of the Notice of AGM, details of the total number of shares in respect of which members are entitled to exercise voting rights at the AGM and, if applicable, any members’ statements, members’ resolutions or members’ matters of business received by the Company after the date of the Notice of AGM are available to view and to download on the Company’s website at <http://www.lseg.com/investor-relations/shareholder-services/agm-information>.

15. The results of the voting at the AGM will be announced through a Regulatory Information Service and will appear on our website at <http://www.lseg.com/investor-relations/shareholder-services/agm-information> following the AGM on 16 July 2014.

16. Save as provided above, any communication with the Company in relation to the AGM, including in relation to proxies, should be sent to the Company’s Registrars, Equiniti, at Aspect House, Spencer Road, Lancing, West Sussex BN99 6DA. No other means of communication will be accepted. In particular, you may not use any electronic address provided either in the Notice of AGM or in any related documents (including the annual report and accounts for the year ended 31 March 2014, the Form of Proxy or the AGM Shareholder Admission Card) to communicate with the Company for any purposes other than those expressly stated.

17. In order to access shareholder documents from the Company (including the copies of the annual report and accounts for the year ended 31 March 2014) on the website, you will need to have access to a PC or Mac with: (i) Microsoft Internet Explorer version 6.0 (or later version) which can be downloaded from the Microsoft website at: <http://windows.microsoft.com/en-us/internet-explorer/download-ie>, or equivalent alternative web browser software; and (ii) Adobe Acrobat Reader which can be downloaded free from the Adobe website at: <http://get.adobe.com/uk/reader/>.

18. Shareholders' attention is drawn to the following security and admissions arrangements for the AGM. Attendees of the AGM will be asked to pass through our security systems before entering the meeting and all bags may be checked. No cameras or recording equipment will be permitted at the AGM. All mobile phones and other electronic communication devices should be switched off during the AGM. Guests are not entitled to attend the AGM as of right, but may be permitted entry at the absolute discretion of the Company. All guests must bring photo identification. Shareholders' co-operation with these arrangements is greatly appreciated. Appendix 2

Summary of the Principal Provisions of the London Stock Exchange Group Long Term Incentive Plan 2014 (the *Plan*)

Introduction

The Plan provides for the grant of awards over ordinary shares in the Company (**Shares**) which are made subject to performance conditions. The Plan will replace the Company's existing long term incentive plan which was approved by shareholders in general meeting in July 2004 and will expire on 14 July 2014. The Plan will be overseen and administered by the Company's Remuneration Committee (the **Committee**).

In renewing the arrangements, the Company has taken the opportunity to incorporate a number of best practice features including:

- A simplification of long-term incentives for executive directors so that in the future they will not be able to receive a Matching Award.
- Introduction of malus and clawback provisions, allowing the Committee to reduce subsisting awards and/or require repayment of vested awards in certain circumstances (e.g. material misstatement, gross misconduct).
- Alignment of good leaver policy with best practice. Under the previous arrangements, the default treatment for good leavers was for accelerated vesting subject to pro-rating for time and performance. Under the new Plan awards held by good leavers will normally subsist until the end of the performance period (in line with other award-holders) and vest at that point subject to time pro-rating and performance (although the Remuneration Committee has discretion to apply different treatment where appropriate).

The Plan provides for the grant of performance share awards (**Performance Awards**) which will vest subject to continued employment with the group and to the extent that specified performance conditions are met over a fixed performance period.

The Plan also allows employees (but not executive directors) to be invited to invest their annual cash bonus (or such other income as the remuneration committee may permit), in buying shares (**Invested Shares**) which will then be matched by the grant of a matching award (**Matching Award**) which will vest on the same basis as Performance Awards. Matching Awards will lapse to the extent that any Invested Shares are sold before the vesting date.

The share awards under the Plan may take the form of: (a) a nil cost option to acquire Shares; (b) a contingent right to receive Shares; or (c) beneficial ownership of Shares which are subject to forfeiture if the vesting conditions are not met.

The Plan also allows for phantom share awards (**Phantom Awards**) to be granted to executives which, instead of delivering Shares following vesting, pay out a cash sum to an equivalent value. These types of award would normally only be used for executives in countries where there are unduly onerous legal, tax or other restrictions involved in delivering Shares to individuals.

Eligibility

Any employee or executive director of the Group will be eligible to participate in the Plan.

Grant of Awards

Awards may be granted within the period of 42 days following: (a) the day on which the Plan is approved by shareholders; (b) the announcement of the Company's results for any period; or (c) any day on which the Committee resolves that exceptional circumstances have arisen which justify the grant of Awards. No Awards may be granted after the tenth anniversary of the Plan's adoption.

Individual Limits

The total value of Shares over which a Performance Award (or a Phantom Award) may be granted to any individual in respect of any financial year (other than on recruitment or for specific retention purposes) may not exceed 300 per cent. of the individual's gross annual basic salary although the Committee may in exceptional circumstances grant awards up to 400 per cent of salary. On recruitment of an executive, a Performance Award (or a Phantom Award) may be granted to compensate the individual for any share incentive arrangements that he may forego from a previous employer, although the value of such an

award may not be greater than the value of the awards which are foregone (value for this purpose being determined by the Committee).

The Committee may also, if it considers it appropriate, grant Awards with a value in excess of these limits in order to recruit or retain individuals (not being executive directors of the Company) in connection with any acquisition or disposal of a business.

The total value of Shares over which a Matching Award may be granted to any individual in a financial year may not exceed 300 per cent. of the gross value of the amount paid for the related Invested Shares. The maximum value that may be invested in Shares is 50 per cent of a participant's gross annual basic salary.

Performance Conditions

Awards will only vest to the extent that specified performance conditions are satisfied.

The performance conditions will typically be measured over the period of three financial years starting with the beginning of the financial year in which the Award is granted or such other period as the Committee considers appropriate.

The Committee will set the performance targets at the time Awards are granted. It currently expects that the first Awards granted under the Plan will be subject to a combination of absolute earnings per share growth targets and total shareholder return targets. Typically, performance conditions will be structured such that 25 per cent. of the Award will vest for threshold level performance. Further details about the Company's policy on the Plan and the performance conditions are set out in the Directors' Remuneration Policy on page 79 of the Report and Accounts. The Committee may amend the performance conditions if events occur which cause it to consider that an amendment is appropriate, provided that the varied conditions are at least as challenging as the original conditions. The Committee may set different performance conditions for Awards.

Vesting of Awards

The Committee has discretion in specific circumstances to provide for Awards to vest in tranches over the vesting period, although the Company would not expect to grant Awards to its executive directors on these terms.

Awards will usually vest (and where relevant become exercisable) on the third anniversary of the date of grant (or such date or dates as the Committee may specify), subject to the participant remaining employed (and not being under notice) and to the satisfaction of the applicable performance conditions.

Awards that have been granted in the form of options will normally be exercisable for ten years from the date of grant, or such shorter period as the Committee may stipulate on the date of grant.

Once a participant's Award has vested (or where relevant been exercised) the relevant number of Shares (or relevant amount of cash in the case of a phantom award) will be transferred or issued to the participant. All Shares allotted or transferred under the Plan will carry the same rights as all other Shares (except for entitlements arising before the date of acquisition by the participant). Where necessary application will be made for Shares to be admitted to listing by the UK Listing Authority and trading on the London Stock Exchange.

Payment of dividend equivalents

On vesting of an Award, the participant may receive an amount in cash or Shares equivalent to the dividends which would have accrued in respect of any Shares in respect of which the Award ultimately vests.

Malus and Clawback

All awards will be subject to "malus" terms which will allow the Committee to exercise a discretion to reduce or cancel any portion of an unvested Award in certain circumstances. The Committee may also decide at the date of grant that certain Awards will be subject to "clawback" terms which will allow the Committee to exercise a discretion in certain circumstances to reclaim, or require the repayment of, an Award that has already vested. Awards granted to executive directors will be subject to both malus and clawback provisions.

The circumstances in which these provisions may apply include, but are not limited to: (i) material misstatement of the results of the Group, (ii) significant reputational damage to the Group; (iii) a material

adverse effect on the Group's business opportunities and prospects for sustained performance or profitability; or (iv) negligence, fraud or serious misconduct by the individual. The Committee may exercise its discretion to clawback Awards for up to three years after the vesting date or such longer period as the Committee may have determined at the date of grant.

Cessation of employment

Awards held by a participant will generally lapse if the participant leaves employment or gives or receives notice before the vesting date. However, if a participant dies or leaves employment in certain circumstances such as injury, disability, ill-health, redundancy or his employing company, or the business in which he is employed, being transferred out of the group, or for any other reason in the Committee's discretion, a participant will retain his Awards which will vest on the normal vesting date pro rata to the time elapsed between the date of grant and the date of cessation of employment, subject to the satisfaction of the applicable performance conditions measured over the relevant performance period. The Committee may, if it considers it appropriate, permit an Award to vest at such other date at or after cessation of employment to the extent that the performance conditions are met at such date. It may also determine that an Award shall not be subject to time pro rating or that it will be reduced other than on a time pro rated basis.

Change of control

If there is a change of control of the Company by way of takeover offer or scheme of arrangement, Awards will vest pro rata to the time elapsed between the date of grant and the date of change of control, subject to performance measured on the change of control (or the most practicable earlier date having regard to the relevant performance condition). If the circumstances of the change of control so warrant, the Committee may determine that an Award shall not be subject to time pro rating or that it will be reduced other than on a time pro rated basis. Alternatively Awards may be exchanged for equivalent awards over shares in an acquiring company subject to the consent of that company. The Committee may, in appropriate circumstances, require that Awards automatically be exchanged, rather than vest, on a change of control.

Plan Limits

No Award may be granted under the Plan which would at the time of grant cause the aggregate number of Shares which have been or may be issued pursuant to that Award and other Awards or rights granted in the previous 10 years: (i) under the Plan and any other discretionary employees' share scheme established by the Company, to exceed 5 per cent. of the ordinary share capital of the Company in issue immediately before that day; and (ii) under the Plan and any other employees' share scheme established by the Company, to exceed 10 per cent. of the ordinary share capital of the Company in issue immediately before that day.

Treasury Shares will be treated for this purpose as if they were issued Shares and will count towards the above limits for as long as institutional shareholder guidance recommends such treatment. Awards may be granted over existing Shares and the percentage limits stated above will not apply to such existing Shares.

Variation of capital

In the event of any variation of the issued share capital of the Company (such as a rights issue, capitalisation issue or dividend in specie) the Committee may adjust the number of Shares subject to Awards in such manner as it considers appropriate. In the event of a transaction which would affect the value of awards (such as a demerger) the Committee may either adjust Awards or allow Awards to vest on such terms as it considers appropriate in the circumstances.

Amendments

The Committee may amend the rules of the Plan at any time, provided that no amendment to the advantage of participants may be made to the provisions governing eligibility to participate in the Plan, individual participation limits, plan limits, the basis for determining a participant's entitlement to Shares, the terms of the Shares and the consequences of any capitalisation issue, rights issue, sub-division or any other variation of capital without the prior approval of shareholders in general meeting. Shareholders' approval will not be required for minor amendments to benefit the administration of the Plan, to take account of a change in legislation or to obtain or maintain favourable tax, exchange control or regulatory treatment for participants or for the Company or any subsidiary.

Additional schedules to the rules of the Plan can be adopted to operate the Plan in any jurisdictions in which employees are situated. These schedules may vary the rules of the Plan to take account of any tax, exchange control, securities laws or other regulation. The Shares issued under any additional schedule will count towards the overall limit on the number of Shares that may be issued under the Plan.
